# Holiday House Books Are Aligned with the Common Core State Standards!

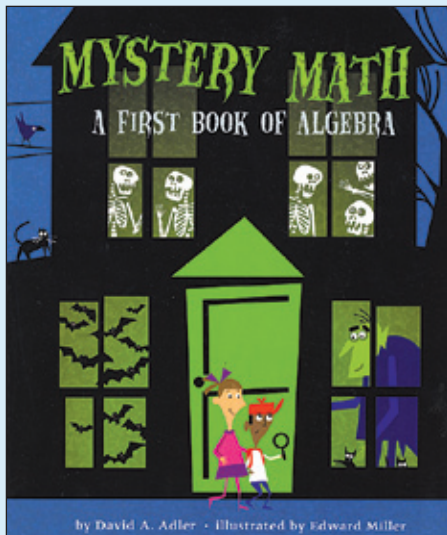

**Help Me Learn Numbers 0-20**  
Kindergarten standards in counting and cardinality (K.CC), (K.CC.4), and (K.CC.5).  
(see p. 19)

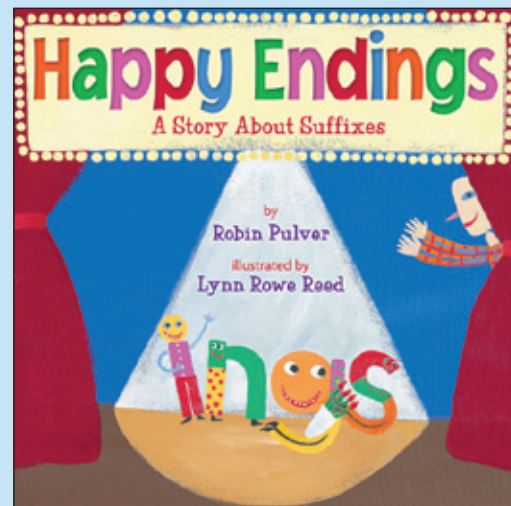

Teachers, librarians, and parents nationwide need guidance in choosing books for their children that meet the Common Core State Standards.

These standards, designed to offer educators a clear understanding of the knowledge and skills that students are expected to learn, have been adopted in most states.

And Holiday House now outlines the standards for our math and language arts books in an easy-to-read online format.

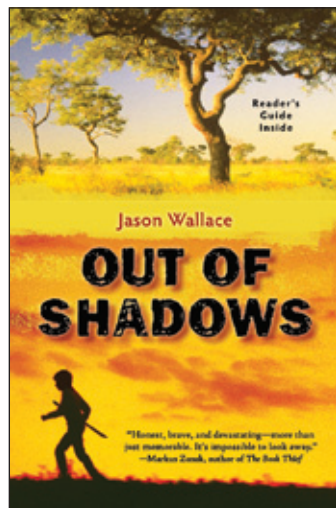

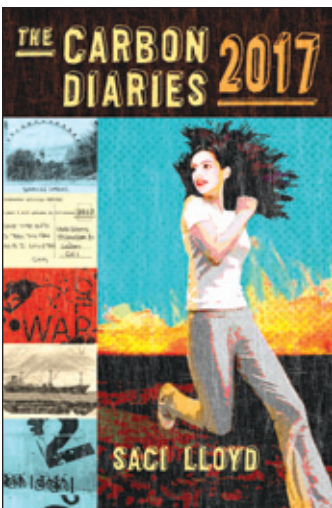

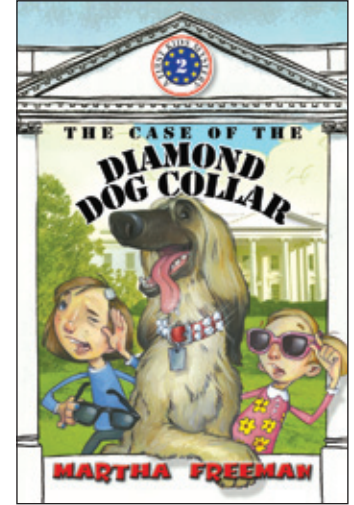

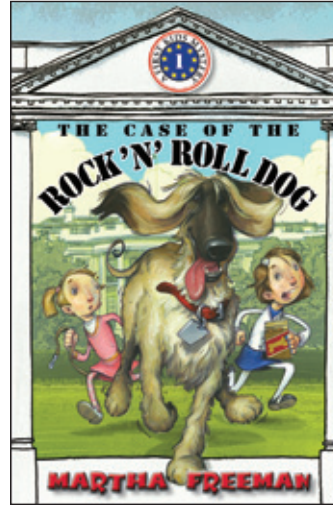

**Mystery Math**  
A First Book of Algebra  
First- through fourth-grade standards in operations and algebraic thinking (1.OA.7-8), (2.OA.1), (3.OA.1-9), and (4.OA.1-3).  
(see p. 5)

**Happy Endings**  
A Story About Suffixes  
Second-grade standards in phonics and word recognition (RF.3.d), third-grade standards in phonics and word recognition (RF.3.a) and (RF.3.b), and third-grade standard in conventions of standard English (L.2.e).  
(see p. 21)

Visit [www.holidayhouse.com](http://www.holidayhouse.com) and click on  
**Common Core State Standards** for the complete list!
