Corn by Gail Gibbons

NAME _____ CLASS _____

Between the Kernels

What does the book tell you about where corn was first grown?	How was corn important to the Native American Indians and Pilgrims?
Draw and label a corn plant.	What are the different types of corn? List examples for each type.
List some interesting facts you learned about corn below.	After reading page 30 in the book, write down all the corn products that your family uses.

This reproducible is part of Explore the World of Science . . . with Gail Gibbons Educator's Guide. To read all of Gail Gibbons's books published by Holiday House, visit your local library or bookstore.

Check out www.holidayhouse.com for more fun activities!
 Meet Gail Gibbons — her dog, Wilbur, and her cats, Miles and Davis!
